AUTHORIZING DIRECTORS OF VETERANS INTEGRATED SERVICE NETWORKS TO ENTER INTO CONTRACTS TO INVESTIGATE MEDICAL CENTERS

Mr. ROE of Tennessee. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 6435) to authorize the Directors of Veterans Integrated Service Networks of the Department of Veterans Affairs to enter into contracts with appropriate civilian accreditation entities or appropriate health care evaluation entities to investigate medical centers of the Department of Veterans Affairs.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 6435

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. AUTHORITY OF DIRECTORS OF VETERANS INTEGRATED SERVICE NETWORKS TO INVESTIGATE MEDICAL CENTERS OF THE DEPARTMENT OF VETERANS AFFAIRS.

(a) IN GENERAL.—The Director of a Veterans Integrated Service Network of the Department of Veterans Affairs may contract with an appropriate entity specializing in civilian accreditation or health care evaluation to investigate any medical center within such Network to assess and report deficiencies of the facilities at such medical center.

(b) COORDINATION.—Before entering into any contract under subsection (a), the Director of a Veterans Integrated Service Network shall notify the Secretary of Veterans Affairs, the Inspector General of the Department of Veterans Affairs, and the Comptroller General of the United States for purposes of coordinating any investigation conducted pursuant to such contract with any other investigations or accreditations that may be ongoing.

(c) RULE OF CONSTRUCTION.—Nothing in this section may be construed—

(1) to prevent the Office of the Inspector General of the Department of Veterans Affairs from conducting any review, audit, evaluation, or inspection regarding a topic

for which a review is conducted under subsection (a); or

(2) to modify the requirement that employees of the Department assist with any review, audit, evaluation, or inspection conducted by the Office of the Inspector General of the Department.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Tennessee (Mr. ROE) and the gentleman from California (Mr. TAKANO) each will control 20 minutes.

The Chair recognizes the gentleman from Tennessee.

GENERAL LEAVE

Mr. ROE of Tennessee. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Tennessee?

There was no objection.

Mr. ROE of Tennessee. Mr. Speaker, I yield myself such time as I may consume.

I rise today in support of H.R. 6435, a bill to authorize the Directors of Veterans Integrated Service Networks, or VISN, of the Department of Veterans Affairs to enter into contracts with appropriate civilian accreditation entities or appropriate health care evaluation entities to investigate VA medical centers.

This bill would allow VISN directors to contract with an appropriate non-VA entity with expertise and civilian accreditation or healthcare evaluation to investigate any medical center within that director's catchment area.

It is no secret that the last few years have been tumultuous for the VA healthcare system, beginning with the access and accountability crisis in Phoenix and across the country in 2014, and continuing to just last week when reports surfaced of potential infectious disease concerns at a troubled VA medical center in Tomah, Wisconsin.

While the committee has an important oversight and investigative responsibility toward VA, as a Federal bureaucracy, VA is all too often charged with policing itself through internal watchdogs like the Office of Medical Inspector and the VA Office of Inspector General. However, despite all of our best efforts, waste, fraud, and abuse still persist and still continue to harm veterans throughout the VA healthcare system.

H.R. 6435 would provide VA regional leadership yet another tool to root out deficiencies within the VA medical facilities while providing VISN directors the ability to work with an experienced, objective entity to assess a given VA medical center's operations and management.

I believe this bill will empower VISN leaders to take a more active role in creating a culture of quality and accountability and lead to the provision of better, safer care to veteran patients.

I am grateful to my friend and colleague Congressman MARKWAYNE

MULLIN of Oklahoma for sponsoring this legislation, and I encourage all of my colleagues to join me in supporting it.

I reserve the balance of my time.

Mr. TAKANO. Mr. Speaker, I yield myself such time as I may consume.

I rise today in support of this legislation by the gentleman from Oklahoma (Mr. MULLIN).

Ensuring VA delivers safe and high-quality health care to veterans is an important priority for this committee. This bill will allow Veterans Integrated Service Network directors to contract with civilian accreditation and healthcare evaluation organizations to inspect and investigate VA medical centers. This gives VA another tool to evaluate and improve the quality of care provided at its facilities.

VA medical centers are routinely inspected and accredited by recognized organizations in the healthcare world, such as the Joint Commission on Accreditation of Hospitals and the Commission on Accreditation of Rehabilitation Facilities. This bill would allow other organizations to inspect and accredit VA hospitals at VA's discretion.

Since the VA inspector general and Government Accountability Office also routinely conduct investigations, inspections, and audits of VA medical facilities, I would like to emphasize that this bill requires both GAO and the IG to be notified when a VISN chooses to contract with civilian inspection and accreditation organizations.

Coordination of efforts with GAO and the IG will avoid duplication and prevent the waste of taxpayer dollars. I also want to emphasize that this authority should not be used to replace the role of the IG and GAO in conducting investigations, inspections, and evaluations of VA medical facilities.

I urge my colleagues to support this bill.

I reserve the balance of my time.

Mr. ROE of Tennessee. Mr. Speaker, I yield 3 minutes to the gentleman from Oklahoma (Mr. MULLIN), who brought this legislation to our committee.

Mr. MULLIN. Mr. Speaker, I thank Chairman-elect ROE for yielding and for his work on the committee. I have no doubt that he will perform admirably in his new role, and I want to extend my appreciation to him and to Chairman MILLER for their leadership in getting this bill to the floor for consideration.

This bill is simple, so I will keep it short. All the bill does is authorize the Department of Veterans Affairs to contract with appropriate civilian healthcare accrediting or evaluating groups to investigate the VA medical centers.

Our veterans deserve care equal to the finest civilian hospitals, so let's allow the VA to invite the people who evaluate and accredit those private hospitals to take a look at our VA medical centers when they have problems.

This is a commonsense bill that will help improve the care of our veterans who need us the most. I urge passage of this bill.

Mr. TAKANO. Mr. Speaker, I encourage all of my colleagues to support this important legislation and to join me in passing H.R. 6435.

I yield back the balance of my time.

Mr. ROE of Tennessee. Mr. Speaker, as Mr. MULLIN said, this is a very commonsense piece of legislation.

I worked in hospitals for almost four decades that had joint commission supervision. It is a good way. It is best for patient safety. With that, I encourage all Members to support this legislation.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Tennessee (Mr. ROE) that the House suspend the rules and pass the bill, H.R. 6435.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

Mr. ROE of Tennessee. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 5099) to establish a pilot program on partnership agreements to construct new facilities for the Department of Veterans Affairs, as amended.

The Clerk read the title of the bill.
